CarDealerSign©

With each order, we have provided a marker. This marker will allow you to use the sign over and over without a shadow of a previous message, and when dried this marker will not rub off on your upholstery. To change the message, just wash off with Ajax or Comet and water. Dry the sign, and then print a new message.

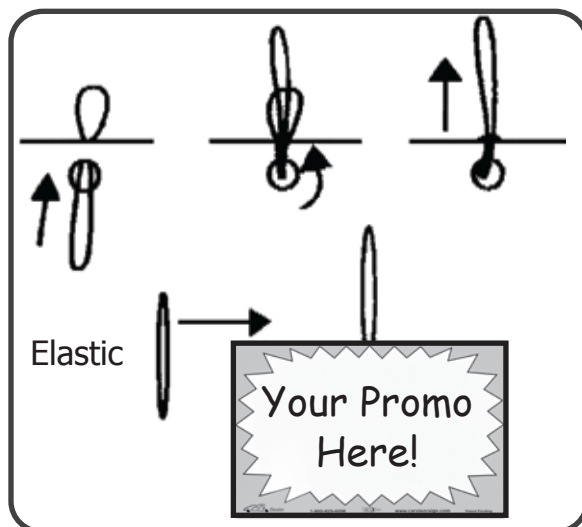

It's as easy as that!

Place elastic through hole.

Attach elastic around passenger's visor with the sales promotion facing the front of the car.

The CarDealerSign slides up and down.

To store the CarDealerSign, simply slide the sign up and fold the visor back.
